as owner (agent) attest that the information provided in this application is accurate and complete. It is expressly understood that the property line location and corresponding set-back information is the responsibility of the owner (agent). In the event that any dispute arises over the location of the property lines, the owner (agent) will at their own expense, obtain a survey of the property, conducted by a qualified surveyor registered in Michigan. It is also understood that if violations of the approved set-back regulations in this application are identified during or after construction, it will be the responsibility of the owner (agent) to remedy the matter as directed by the Zoning Administrator. Further, the owner (agent) agrees to hold harmless the City of Iron Mountain and its agents from any action arising from non-compliance with the provisions of this permit. It is also understood that the issuance of this permit does not relieve the owner

(agent) from complying with any and all applicable codes and ordinances in force at the time of construction.
