### **How early can we get in to the pavilion to decorate etc.? Can we get the keys early or decorate the night before?**

Officially, your rental period only includes the days paid for beginning at 7am and ending at 11pm. The City Manager may occasionally allow early access for minor setup and decorating on a case-by-case basis if the pavilion is not rented the prior day. Early access is after 5pm the evening before the rental date. Early access shall not include use of the facility other than for preparation. The renter is required to call on the day before their rental to request early access. Access to the pavilion prior to the paid rental period cannot be guaranteed. Renters who require extra preparation time or delivery and set up of equipment prior to their date are advised to add the appropriate days to their rental. Saturday rentals may add a Friday rental at a discounted rate.

### **Can we arrange equipment delivery like soda machines prior to our rental day?**

Officially, your rental period only includes the days paid for beginning at 7am and ending at 11pm. Accommodation for delivery of equipment (soda machines etc) outside of the rental dates is not guaranteed. Delivery of equipment may be occasionally allowed on a case by case basis if the facility is not being utilized on the delivery date.
