Discussion of Rehabilitation District Criteria

Stanchina presented the proposed Rehabilitation District criteria. Blomquist offered his proposed amendments to the criteria. He expressed the opinion that large development will not require abatement in order to determine the viability of a project. Revord conveyed that the value of the tax increase should be abated over time. Celeslo relayed that the proposed abatement for employment may want to be reviewed as many businesses downtown do not employ more than three full-time employee equivalents. The City Council discussed the merits of whether or not larger developments should be offered abatement.

Ed Felton – Solbergs Greenleaf Sports Bar LLC / 1340 Carpenter Ave.

He requested clarification regarding the six month clawback period for project abatement.

Adam Degroot – 310 S. Stephenson Ave.
